Sustainable Lunch Items:

Reusable lunch supplies are the number one priority for mitigating waste created during our meal and snack times. By bringing a prepared lunch from home, silverware, and napkins we can create a massive impact and keep hundreds of pounds of trash out of the landfills and ocean.

Examples of reusable items:

[Stainless Steel Bento Box](#)

[PlanetBox](#)

[Portable Silverware Kit with Case](#)

[Reusable Napkins](#)

Note the following:

- Students should have a soft sleeve for their computer (slim line sleeves preferred). The computer power cord should come to school every day in their backpack.
- Students need a laptop for classwork. iPads are not recommended.
- Only standard size student backpacks are permitted.
- No permanent decorations are permitted on student lockers. Students may use magnetic decorations/accessories only on the interior of their locker. Students may find it helpful to have locker shelf inserts. Lockers are 12x12x36.
