

2023-2024 Book List Grade 8

All books should match the ISBN numbers provided. There cannot be any notes or highlighting in any of the novels so we recommend new copies. We have included two different book list links to help you with your shopping. The first link is with bookshop.org. We highly recommend choosing this source when possible. This organization supports independent bookstores (like Main Street Books in Davidson) by giving away over 80% of their profit margins to independent stores, authors, and organizations. Bookshop.org is a certified B Corp and is a climate neutral company. To learn more about this program, please visit this [link](#).
