

WOODLAWN SCHOOL

2022

SUMMER CAMPS

LEGO / STEM / SPORTS / DANCE / CHEER  
MUSICAL THEATER / ART / PHYSICS  
ROBOTICS / PRESCHOOL / AMERICAN DOLL

**CAMPS RUN JUNE 13 - AUGUST 5**  
**OPEN TO ALL LKN RESIDENTS**

For more information visit [woodlawnschool.org/summercamp](http://woodlawnschool.org/summercamp)

# WOODLAWN *Summer* CAMPS

2022

Session 1 Camps - Registration Deadline - June 3, 2022

## June 13 - 17

• Soccer Camp - Age Level 1	Grades 4-6	8:30AM-11:30AM/\$150
• Outdoor Student Leadership Age Level 1	Grades 3-6	1PM-4PM/\$150
• Cheer Camp	Grades K-5	9AM-12PM/\$200
• Dance, Dance, Dance	Ages 6+	1PM-4PM/\$300
• Broadway Musical Theater	Ages 6+	1PM-4PM/\$350
• Fairy Art Camp	Ages 6+	9AM-12PM/\$350
• Little Robot Engineer	PreK-K	9AM-1PM/\$275(Half Day) or 9AM-4PM/\$349 (Full Day)
• Junior Paleontologist	Grades 1-3	9AM-4PM/\$325
• Sea Adventures	Grades 1-3	9AM-4PM/\$325
• Young Eco Explorer	Grades 3-5	9AM-4PM/\$325
• American Girl STEAM Camp	Grades 3-5	9AM-4PM/\$349
• Spike LEGO Robotics	Grades 5-8	9AM-4PM/\$349

## June 20 - 24

• Soccer Camp - Age Level 2	Grades 7-12	8:30AM-11:30AM/\$150
• Outdoor Student Leadership Age Level 2	Grades 7-10	1PM-4PM/\$150
• Feeling Crafty	Grades 2-6	9AM-12PM/\$215
• Speed Camp	Grades 5-8	9AM-12PM/\$150
• American Doll	Grades K-5	9AM-12PM/\$230 (Half Day) or 9AM-4PM/\$250 (Full Day)
• LEGO Adventures	Grades 1-6	9AM-12PM/\$160
• Chess Camp -Beginner/Intermediate	Grades 2-5	9AM-11:30AM/\$295
• Little Scientist	Grades PreK-K	9AM-1PM/\$275(Half Day) or 9AM-4PM/\$325 (Full Day)
• Junior Robot Engineer	Grades 1-3	9AM-4PM/\$349
• Marvel Movie Makers	Grades 1-3	9AM-4PM/\$349
• Beginning Roblox	Grades 3-5	9AM-4PM/\$349
• Young Robot Engineer	Grades 3-5	9AM-4PM/\$349
• Emergency Veterinarian	Grades 5-8	9AM-4PM/\$349

## June 27 - July 1

• A Forest Preschool Experience	Ages 3-4	9AM-12:00PM/\$160
• Camp Whimsical	Ages 5-8	1PM-4PM/\$300
• Little Chemist	Grades PreK-K	9AM-1PM/\$275 (Half Day) or 9AM-4PM/\$325 (Full Day)
• Grossology	Grades 1-3	9AM-4PM/\$325
• American Girl STEAM	Grades 1-2	9AM-4PM/\$349
• Wizarding World	Grades 3-5	9AM-4PM/\$325
• Great Masters	Grades 3-5	9AM-4PM/\$349
• Masters Roblox Coder	Grades 5-8	9AM-4PM/\$349

Register Today at [Woodlawnschool.org/summercamp](https://www.woodlawnschool.org/summercamp)

## Session 2 Camps - Registration Deadline - July 1, 2022

### July 11 - 15

- |                                     |            |  |
|-------------------------------------|------------|--|
| • Meet the Masters Art Camp         | Grades 1-5 | 9AM-12PM/\$250(Half Day) or 9AM-4PM/\$300 (Full Day) |
| • Sports Camp                       | Grades 4-8 | 9AM-12PM/\$200                                       |
| • Don't Be So Dramatic (Drama Camp) | Grades 4-6 | 9AM-12PM/\$200                                       |
| • Camp Invention: Explore           | Grades K-6 | 8:30AM-3:00PM/\$245                                  |

### July 18 - 22

- |                                  |               |  |
|----------------------------------|---------------|--|
| • Adventure Camp                 | Grades K-5    | 9AM-12PM/\$220                                       |
| • LEGO Space Adventures          | Grades 1-6    | 9AM-12PM/\$160                                       |
| • Camp Jurassic                  | Grades PreK-K | 9AM-1PM/\$275 (Half Day) or 9AM-4PM/\$325 (Full Day) |
| • Beginning Minecraft            | Grades 1-3    | 9AM-4PM/\$349  |
| • Junior Eco Explorer            | Grades 1-3    | 9AM-4PM/\$325  |
| • Young Space Explorer           | Grades 3-5    | 9AM-4PM/\$325  |
| • Special Effects Zombie Edition | Grades 3-5    | 9AM-4PM/\$349  |

### July 25 - 29

- |                                      |               |                |
|--------------------------------------|---------------|----------------|
| • Kindergarten Prep Camp             | Grades PreK-K | 9AM-12PM/\$200 |
| • Chess Camp - Intermediate/Advanced | Grades 4-8    | 9AM-12PM/\$315 |

### August 1 - 5

- |                              |          |                |
|------------------------------|----------|----------------|
| • Art Around the World       | Ages 8+  | 1PM-4PM/\$350  |
| • Disney Princess Dance Camp | Ages 4-6 | 9AM-12PM/\$300 |

**Register Today at [Woodlawnschool.org/summercamp](https://www.woodlawnschool.org/summercamp)**

# June 13-17

---

## Soccer Camp - Age Level 1

Offered by: Christian Eggleston (ceggleston@woodlawnschool.org)

Rising Grades 4-6

Week of June 13-17 | 8:30am-11:30am | Cost: \$150

No matter where and what level you play, this camp will help you take your game to the next level! Have fun while developing team building skills and learning techniques and skills to become a great soccer player.

---

## Outdoor Student Leadership - Age Level 1

Offered by: Christian Eggleston (ceggleston@woodlawnschool.org)

Rising Grades 3-6

Week of June 13-17 | 1pm-4pm | Cost: \$150

Learn leadership skills, communication, teamwork, and problem solving in an outdoor environment. We will use the challenge course, outdoor classroom, and nature areas to facilitate these personal developments and self-discovery.

---

## Cheer Camp

Offered by: Jenny and Tayler Gudmestad (jgudmestad@woodlawnschool.org)

Rising Grades K-5

Week of June 13-17 | 9am-12pm | Cost: \$200

Join East Carolina Cheerleader Tayler as she teaches essential skills for Cheerleading. Participants will learn proper hand and body movements, cheers, and dance. Each Cheerleader will learn the importance of teambuilding and being a leader. The week will end with a performance.

---

## Dance, Dance, Dance Camp

Offered by: Ludmila Academy (hedvika@ludmilamusicart.com)

Ages 6+

Week of June 13-17 | 1pm-4pm | Cost: \$300

This is the TRY EVERYTHING CAMP! We will explore Jazz, Tap, Zumba, Lyrical, Modern/Hip-Hop & Classical Ballet. Experiencing and exploring different genres of dance will expand your child's knowledge & ability as a dancer.

---

## Broadway Musical Summer Camp

Offered by: Ludmila Academy (hedvika@ludmilamusicart.com)

Ages 6+

Week of June 13-17 | 1pm-4pm | Cost: \$350

Come and enjoy a week long experience in musical theatre! We will sing, dance, and act our way through various scenes from musicals such as Annie, The Aristocrats, The Little Mermaid, and others. There will be a short performance at the end of the week on Friday.

---

## Fairy Art Camp

Offered by: Ludmila Academy (hedvika@ludmilamusicart.com)

Ages 6+

Week of June 13-17 | 9am-12pm | Cost: \$350

Students will learn multiple Fairy inspired projects; including a Fairy Door, Fairy House, Fairy Wings, and a Fairy Garden.

---

## Little Robot Engineer

Offered by: ClubSciKidz (jacki@clubscikidz.com)

Rising Grades PreK-K

Week of June 13-17 | 9am-1pm or 9am-4pm | Cost: \$275 Half Day/\$349 Full Day

This camp is an introduction into the world of robotics. Campers will learn about the six simple machines and how they are incorporated into more complex machines. Campers will also learn about circuits and power sources as they build our "Mars-like" RC Rover. The radio-controlled RC Rover is capable of performing 23 experiments and activities. Campers will also have fun constructing an ArtBot. Campers will be able to take home the robots they build for hours of fun at the end of camp!

---

## Junior Paleontologist

Offered by: ClubSciKidz (jacki@clubscikidz.com)

Rising Grades 1-3

Week of June 13-17 | 9am-4pm | Cost: \$325

This camp offers an exciting introduction into the basics of Paleontology! This exciting adventure in Paleontology will have your camper playing in the dirt and having the time of their lives! Campers will be immersed in several hands-on projects that they will take home to continue their adventure. Plus this camp offers fun and dynamic science games!

*Sample Projects: Panning for Gems and Minerals! Crack Open a Geode! Miniature Dinosaur Dig! Build and take away a cool T-Rex Model!*

**Register Today at [Woodlawnschool.org/summercamp](https://www.woodlawnschool.org/summercamp)**

---

## Sea Adventures

Offered by: ClubSciKidz (jacki@clubscikidz.com)

Rising Grades 1-3

Week of June 13-17 | 9am-4pm | Cost: \$325

Arrrrrg! Welcome Me Hearties! Calling all Marine Biologists! Camp Sea Adventures is a super-sized version of our former Camp Jolly Roger. Campers will explore the crystal blue oceans studying the structure of our oceans, marine life, and environmental issues.

In addition to our oceanography experiments and activities, no sea adventure would be complete without some pirate escapades in search of gold, gems, and of course, some buried treasure.

*Sample Projects: The Ocean Zone Discovery Model, Map Making, Knot Tying, Ocean Wave Bottle, Shark Tooth Necklace, Urchin Wind Chime, and Shark Survey just to name a few. An exciting week with a total of 20 make and take projects!*

---

## Young Eco Explorer

Offered by: ClubSciKidz (jacki@clubscikidz.com)

Rising Grades 3-5

Week of June 13-17 | 9am-4pm | Cost: \$325

What better place to explore than nature that is right outside our door? Campers will not only learn about this amazing planet we live on but also learn how we can help keep it beautiful and healthy! They'll be arborists as they learn about different kinds of trees and even plant a pine tree.

Next, they'll become entomologists as they do activities and experiments related to spiders, butterflies, and other insects. They'll discover that although sometimes insects may appear scary or frightening, they actually aren't and even help us! Campers will explore the organisms and habitats of different ecosystems and learn ways to take care of the planet we live on. They'll also learn about the "three Rs": Reduce, Reuse and Recycle.

---

## American Girl STEAM Camp

Offered by: ClubSciKidz (jacki@clubscikidz.com)

Rising Grades 3-5

Week of June 13-17 | 9am-4pm | Cost: \$349

While we encourage everyone to bring their dolls and plenty of enthusiasm, the camp is so much more than just "playing with dolls." Girls will have a blast as they unleash their creativity by integrating the components of STEAM-Science, Technology, Engineering, Art, and Math.

Our American Girl Campers will bake a yummy dessert, sew a quilt for their doll, create an art masterpiece, study historical characters, perform some stunning science experiments, and complete an engineering build to name just a few of this action packed week.

The week will also be sprinkled with tea parties, games, story telling, American Girl Books, and plenty of fun and laughter.

---

## Advanced LEGO Robotics with Spike

Offered by: ClubSciKidz (jacki@clubscikidz.com)

Rising Grades 5-8

Week of June 13-17 | 9am-4pm | Cost: \$349

Using LEGO's New Spike Space Challenge Set and Activity Pack, campers are introduced to robotics with a very current and real-world theme, traveling to and living on Mars! Campers will work as scientists and engineers as they progress through a set of lessons, challenges, and projects that fully integrate science, technology, engineering, and math concepts, while promoting creative problem solving, communication, and teamwork.

Campers will learn the basics of gears to help them apply physical science and math principles to build effective robots. They will also progress through a series of missions in which they investigate, observe, calculate, and apply their knowledge to solve specific tasks.

Our space engineers will conduct research as they explore, plan, and develop three fundamental challenges NASA engineers and scientists are working to solve: How to endure humans can survive in space; how humans can create energy in space; and how robots can help humans explore space.

---

**Register Today at [Woodlawnschool.org/summercamp](https://www.woodlawnschool.org/summercamp)**

# June 20 -24

---

## Feeling Crafty Art Camp

Offered by: Taylor Martin (tmartin@woodlawnschool.org)

Rising Grades 2-6

Week of June 20-24 | 9am-12pm | Cost: \$215

Come join us for a week full of arts and crafts! From painting to bracelet making, campers will be able to take home a new craft every day. We will be making stickers, keychains, and much more. Supplies are included.

---

## Speed Camp

Offered by: Coach Kyle Dill (kdill@woodlawnschool.org)

Rising Grades 5-8

Week of June 20-24 | 9am-12pm | Cost: \$150

Ready, Set, Race! Calling all athletes who want to learn how to improve their game by increasing their speed. Learn how to move properly to reduce stress on your body while becoming faster.

---

## American Doll - Half Day or Full Day

Offered by: Jenny and Tayler Gudmestad (jgudmestad@woodlawnschool.org)

Rising Grades K-5

Week of June 20-24 | 9am-12pm or 9am-4pm | Cost: \$230 Half Day/\$250 Full Day

Join us as you learn all about the life of American Girl doll Kit Kittredge. Kit was a spirited girl who lived in 1934 during the Great Depression. Campers will be having a fun filled week creating crafts and doing activities that relate to Kit's life. Having an American Girl doll is not a requirement for this camp. All materials are included.

---

## Outdoor Student Leadership - Age Level 2

Offered by: Christian Eggleston (ceggleston@woodlawnschool.org)

Rising Grades 7-10

Week of June 20-24 | 1pm-4pm | Cost: \$150

Learn leadership skills, communication, teamwork, and problem solving in an outdoor environment. We will use the challenge course, outdoor classroom, and nature areas to facilitate these personal developments and self-discovery.

---

## Soccer Camp - Age Level 2

Offered by: Christian Eggleston (ceggleston@woodlawnschool.org)

Rising Grades 7-12

Week of June 20-24 | 8:30am-11:30am | Cost: \$150

No matter where and what level you play, this camp will help you take your game to the next level! Have fun while developing team building skills and learning techniques and skills to become a great soccer player.

---

## Chess Camp - Beginner/Intermediate

Offered by: Jessica Martin (overthechessboard@gmail.com)

Rising Grades 2-5

Week of June 20-24 | 9am-11:30am | Cost: \$295

We will learn basic chess tactics, strategies, endgame techniques, study Grandmaster games, and learn new vocabulary. We will also focus on winning and losing with dignity and grace - with an emphasis on problem-solving and sportsmanship.

---

## LEGO Adventures

Offered by: Bricks4Kidz (lporretta@bricks4kidz.com)

Rising Grades 1-6

Week of June 20-24 | 9am-12:00pm | Cost: \$160

Join us for a week of all things LEGO! Campers will experience different themed LEGO motorized builds, LEGO Brick builds and challenges each day. Get ready to build your favorite video game and movie characters, build things that move and go fast, extreme animals, blast off into outer space and so much more in this exciting variety camp. children will also play themed games and make crafts.

**Register Today at [Woodlawnschool.org/summercamp](https://www.woodlawnschool.org/summercamp)**

---

## Little Scientist (Half Day or Full Day)

Offered by: ClubSciKidz (jacki@clubscikidz.com)

Rising Grades PreK-K

Week of June 20-24 | 9am-1pm or 9am-4pm | Cost: \$275 Half Day/\$325 Full Day

This unique camp will offer an incredible collection of projects and experiments that will amuse and amaze your little scientist! By being involved with several hands-on activities, your child will explore the basic scientific ideas that play a role in everyday life. Sample Projects: Rocketry, Glowing Firefly, Edible Oceans, Marshmallow Catapults, Growing Radish Head, and Beeswax Candle.

*In addition: Campers will create and experiment with several other projects in the course of the week. This is a broad topic camp that teaches campers how the scientific method helps give us the answers to our many questions.*

---

## Junior Robot Engineer

Offered by: ClubSciKidz (jacki@clubscikidz.com)

Rising Grades 1-3

Week of June 20-24 | 9am-4pm | Cost: \$349

This camp is an introduction into the world of robotics. Campers will learn about the six simple machines and how they are incorporated into more complex machines. Campers will also learn about circuits and power sources as they build a "Mars-like" RC Rover. The radio-controlled RC Rover is capable of performing 23 experiments and activities. Campers will also have fun constructing an Aluminum Can Robot. Campers will be able to take home the robots they build for hours of fun at the end of camp!

---

## Beginning Roblox

Offered by: ClubSciKidz (jacki@clubscikidz.com)

Rising Grades 3-5

Week of June 20-24 | 9am-4pm | Cost: \$349

Campers will learn more advanced coding and programming while using Roblox. They will be creating more advanced games in the Roblox Studio using Lua! Campers will be able to use both a drag and drop interface as well as write REAL code for their game! You will be learning to use loops and the random math function to develop a full Roblox game!

---

## Young Robot Engineer

Offered by: ClubSciKidz (jacki@clubscikidz.com)

Rising Grades 3-5

Week of June 20-24 | 9am-4pm | Cost: \$349

This camp is an introduction into the world of robotics. Campers will learn about the six simple machines and how they are incorporated into more complex machines. Campers will also learn about circuits and power sources as they build a "Mars-like" RC Rover. The radio-controlled RC Rover is capable of performing 23 experiments and activities. Campers will also have fun constructing an Aluminum Can Robot. Campers will be able to take home the robots they build for hours of fun at the end of camp!

---

## Emergency Veterinarian

Offered by: ClubSciKidz (jacki@clubscikidz.com)

Rising Grades 5-8

Week of June 20-24 | 9am-4pm | Cost: \$349

This camp is a camper's ticket to the world of Veterinary Medicine. Lessons will give campers the opportunity to look into the real and exciting field of Veterinary Medicine. Campers will meet practitioners in the field, pet groomers, and be involved with several hands-on experiments! Each camper will receive his or her very own medical kit! Campers will also get hands-on experience on animal organ dissection. We will be featuring our CPR Dog for the first time in this camp. Learn to use a syringe, and suturing techniques too!

*Sample Topics: Animal Behavior; Cancer Research in Animals; Clinical Procedures; Preparation for a Career in Veterinary Medicine; First Aid and Dentistry Care; Diseases and Parasites, Entomology, Microscopy, Anatomy.*

---

## Marvel Movie Maker

Offered by: ClubSciKidz (jacki@clubscikidz.com)

Rising Grades 3-5

Week of June 20-24 | 9am-4pm | Cost: \$349

Stop motion animation is an incredibly fun, hands-on way to make amazing films, using a variety of materials and objects such as clay, LEGO figures, and other everyday materials. In this camp young filmmakers will learn the science of film and animation. Stop motion animation was first used in early films such as King Kong and the silent pictures, especially when it came to special effects. We provide campers with storyboard techniques, script writing, set design ideas, character development, film angles, lighting, special effects, and methods to add titles and rolling credits. Campers will also learn how to use armature-based figures. If you are living with the next Stephen Spielberg, your little director won't want to miss this camp!

# June 27 - July 1

---

## Let's Play in the Woods! A Forest Preschool Experience

Offered by: Deanna Robeano ([drobeano@woodlawnschool.org](mailto:drobeano@woodlawnschool.org))

Ages 3-4

Week of June 27-July 1 | 9:00am-12:00pm | Cost: \$160

Looking for a summer camp for your preschooler that is different from any other program? This Forest Preschool Summer experience will invite your preschooler to explore, play, and adventure in Mother Nature's playground, the forest. On Woodlawn School's 61 acres of land, your child will develop independence in the woods as we explore using all our senses. Preschoolers will be encouraged to get wet, stay dirty, and play in the best play space anyone could offer, the outdoors! We will ignite your child's natural curiosity and wonder to discover and learn more about what lives and grows in the forest - all through play! In this camp, we will provide time and space for those serendipitous moments that nurture a passion for learning for our youngest Trailblazers.

---

## Camp Whimsical

Offered by: Ludmila Academy ([hedvika@ludmilamusicart.com](mailto:hedvika@ludmilamusicart.com))

Ages 5-6

Week of June 27-July 1 | 1pm-4pm | Cost: \$300

Fairies, unicorns, and princesses! Send your child dressed as their favorite whimsical creature and prepare them to dance! Students will learn ballet and tap while playing fun dance games! They will finish up with a hands on activity and a theatrical book read.

---

## Little Chemist - Half Day or Full Day

Offered by: ClubSciKidz ([jacki@clubscikidz.com](mailto:jacki@clubscikidz.com))

Rising Grades PreK-K

Week of June 27-July 1 | 9am-1pm or 9am-4pm | Cost: \$275 Half Day/\$325 Full Day

It is time for Glues, Brews and Goos! From our stockpile of hundreds of recipes and formulas, we have chosen our top favorite chemistry activities. Campers will love digging into and examining the results of these crazy chemical concoctions!

Sample Projects: Blob Explosions, Funny Putty, Magic Bubble Paint, Make Your Own Chewing Gum. *In addition: Campers will create several other wacky, wild and crazy concoctions! Our Jr. Chemists will realize the importance of measurement and sequencing as they use a taco sauce creation to clean pennies and investigate candy chromatography.*

---

## Grossology

Offered by: ClubSciKidz ([jacki@clubscikidz.com](mailto:jacki@clubscikidz.com))

Rising Grades 1-3

Week of June 27-July 1 | 9am-4pm | Cost: \$325

Campers will discover loads of horribly fantastic experiments! Projects focus on blood, bones, and body bits! This is science with the squishy bits left in it! Tons of chemistry and biology for the aspiring doctor or scientist! Sample Projects: Bulging Bag of Brains, Simulated Snot, Baby Diaper Dissection, Eyeball Acrobatics, Bird Barf, and we are only getting started! *In addition: Grossologists will indulge in many other sickening body experiments. This is our most disgusting camp!*

---

## American Doll STEAM Camp

Offered by: ClubSciKidz ([jacki@clubscikidz.com](mailto:jacki@clubscikidz.com))

Rising Grades 1-2

Week of June 27-July 1 | 9am-4pm | Cost: \$349

While we encourage everyone to bring their dolls and plenty of enthusiasm, the camp is so much more than just "playing with dolls." Campers will have a blast as they unleash their creativity by integrating the components of STEAM-Science, Technology, Engineering, Art, and Math.

Our American Doll Campers will bake a yummy dessert, sew a quilt for their doll, create an art masterpiece, study historical characters, perform some stunning science experiments, and complete an engineering build to name just a few of this action packed week.

The week will also be sprinkled with tea parties, games, story telling, American Girl Books, and plenty of fun and laughter.

**Register Today at [Woodlawnschool.org/summercamp](https://www.woodlawnschool.org/summercamp)**

---

## Wizarding World

Offered by: ClubSciKidz (jacki@clubscikidz.com)

Rising Grades 3-5

Week of June 27-July 1 | 9am-4pm | Cost: \$325

Let your imagination run wild! From hippogriffs, dragons, house elves, basilisk, and owls, to sorting hats, dementors, potions, spells...and all things magical, come join us for the time of your life! Search for Horcruxes throughout the week, team up for our Harry Potter Trivia Game, design a broom, and play the wizarding sport of Quidditch. Paint Hogwarts castle, sculpt Dobby or Kreacher house elf, draw mythical creatures, make a Marauder's map, brew up Butter Beer, create your own wand and Death Eater's mask, Patronus, chocolate frogs, and lots, lots more! Bring your favorite HP book(s) to camp to freshen up on spells, characters, and *discuss analogies* to the muggle world today. So much magic to do!

---

## Great Masters

Offered by: ClubSciKidz (jacki@clubscikidz.com)

Rising Grades 3-5

Week of June 27-July 1 | 9am-4pm | Cost: \$349

Design, draw, build, construct, paint and sculpt as you explore the great artists and engineers of the world while creating your own distinctive flair! Travel throughout time as you experiment with thick paints like Van Gogh, go wild with clay a la Pablo Picasso, design 3D Nevelson installations, experience first-hand the challenge of doing Michelangelo's ceiling paintings, discover the playful work of Matisse, and create self-portraits like Frida Kahlo. Learn design engineering skills to build a castle like architect Julia Morgan's Hearst castle, construct a prototype flying machine like Leonardo da Vinci and the Wright Brothers, and fashion rescue bots via Robin Murphy. This is truly a STEAM camp – it beautifully blends science, tech, engineering, art, and math (and even some history!) for a week of fun!

---

## Master Roblox Coder

Offered by: ClubSciKidz (jacki@clubscikidz.com)

Rising Grades 3-5

Week of June 27-July 1 | 9am-4pm | Cost: \$349

Design, draw, build, construct, paint and sculpt as you explore the great artists and engineers of the world while creating your own distinctive flair! Travel throughout time as you experiment with thick paints like Van Gogh, go wild with clay a la Pablo Picasso, design 3D Nevelson installations, experience first-hand the challenge of doing Michelangelo's ceiling paintings, discover the playful work of Matisse, and create self-portraits like Frida Kahlo. Learn design engineering skills to build a castle like architect Julia Morgan's Hearst castle, construct a prototype flying machine like Leonardo da Vinci and the Wright Brothers, and fashion rescue bots via Robin Murphy. This is truly a STEAM camp – it beautifully blends science, tech, engineering, art, and math (and even some history!) for a week of fun!

---

# July 11 - 15

---

## Don't Be So Dramatic! Drama Camp

Offered by: Taylor Martin (tmartin@woodlawnschool.org)

Rising Grades 4-6

Week of July 11-15 | 9am-12pm | Cost: \$200

Stop being so dramatic! Or, just bring all that drama to summer camp! Get ready for a week of acting and improv games! We will be working on individual and group scenes to showcase at a final performance for campers' families. Lights! Camera! Action!

---

## Meet the Masters Art Camp - Half Day or Full Day

Offered by: Jenny and Tayler Gudmestad (jgudmestad@woodlawnschool.org)

Rising Grades 1-5

Week of July 11-15 | 9am-12pm or 9am-4pm | Cost: \$250 Half Day/\$300 Full Day

This Art camp is like no other! Campers will learn about famous artists; Claude Monet, Edward Hopper, and Vincent Van Gogh. They will learn about the history of the artist by taking a look into a virtual museum. Campers will use different art mediums to create a piece of art that is inspired by the master artist. All art supplies are included.

---

## Sports Camp

Offered by: Coach Kyle Dill (kdill@woodlawnschool.org)

Rising Grades 4-8

Week of July 11-15 | 9am-12pm | Cost: \$200

Calling all athletes! Come out and get your game face on! We will have fun while playing a variety of sports such as football, basketball, soccer, baseball, and volleyball.

---

## Camp Invention

Offered by: Camp Invention (hsurgen@woodlawnschool.org)

Rising Grades K-6

Week of July 11-15 | 8:30am-3:00pm | Cost: \$245

Give your young innovator an unforgettable adventure! All-new, hands-on activities will launch their imagination and get their confidence soaring as they explore STEM fun from the oceans to outer space.

---

# July 18 - 22

---

## Adventure Camp

Offered by: Jenny and Tayler Gudmestad (jgudmestad@woodlawnschool.org)

Rising Grades K-5

Week of July 18-22 | 9am-12pm | Cost: \$220

This camp will be a fun filled week exploring all things related to adventure. Campers will spend time in the outdoors exploring. Campers will participate in guided hikes, scavenger hunts, and team building.

---

## LEGO Space Adventures

Offered by: Bricks4Kidz (lporretta@bricks4kidz.com)

Rising Grades 1-6

Week of July 18-22 | 9am-12:00pm | Cost: \$160

Let Bricks 4 Kidz® launch your imagination to outer-space and beyond! Many children dream of being an astronaut and traveling to space, so we created an entire camp around space! Each day, students will learn about real-life space exploration and build a new model related to the NASA space program. Children will learn some of the science behind launching things into orbit, will hear about the most-distant man-made object in the universe, and discuss what it is like to be an astronaut in space. Are you a budding astronaut? An adventurer who loves space exploration? Then you'll love our Space themed LEGO camp!

---

## Jurassic - Half Day or Full Day

Offered by: ClubSciKidz (jacki@clubscikidz.com)

Rising Grades PreK-K

Week of July 18-22 | 9am-1pm or 9am-4pm | Cost: \$275 Half Day/\$325 Full Day

Dinosaurs may be extinct, but they are very much alive in Camp Jurassic. Campers learn about a variety of dinosaurs and their habitats. Rocks, minerals, and fossils are studied along with a variety of related projects. Sample Projects: Dinosaur Model, Panning for Gems and Minerals, Building a Volcano, Casting a Sea Shell Fossil, and Dinosaur Dig.

*In addition: Campers will work with additional take home projects. Special emphasis is placed on observation, inference, data collection, and just plain old fun! This is Geology 101!*

---

## Beginning Minecraft

Offered by: ClubSciKidz (jacki@clubscikidz.com)

Rising Grades 1-3

Week of July 18-22 | 9am-4pm | Cost: \$349

We strongly believe in learning with real code. Young coders are often taught pseudo-code, which they often master very quickly. The problem is though that it doesn't prepare them enough for the jump to a real programming language and text-based code, so a lot of coders stop there. We will use the sand box game of Minecraft to transition from drag and drop to typing real code. The mysteries of real code is unraveled here for kids.

---

## Junior Eco Explorer

Offered by: ClubSciKidz (jacki@clubscikidz.com)

Rising Grades 1-3

Week of July 18-22 | 9am-4pm | Cost: \$325

What better place to explore than nature that is right outside our door? Campers will not only learn about this amazing planet we live on but also learn how we can help keep it beautiful and healthy! They'll be arborists as they learn about different kinds of trees and even plant a pine tree.

Next, they'll become entomologists as they do activities and experiments related to spiders, butterflies, and other insects. They'll discover that although sometimes insects may appear scary or frightening, they actually aren't and even help us! Campers will explore the organisms and habitats of different ecosystems and learn ways to take care of the planet we live on. They'll also learn about the "three Rs": Reduce, Reuse and Recycle.

---

## Special Effects Zombie Edition

Offered by: ClubSciKidz (jacki@clubscikidz.com)

Rising Grades 3-5

Week of July 18-22 | 9am-4pm | Cost: \$349

This is the first camp ever offered by Club SciKidz! Campers learn the science behind Hollywood's special effects. Activities will demonstrate concepts related to light, sound, perception, illusion, and model building. One of the great features of this camp is that all campers will create (and take home!) a movie using techniques in Claymation and Stop-Motion Animation. Lessons include plot development, story boarding, set building, filming, and sound effects.

Campers will also learn various special effects make-up techniques working with the same materials used by professional make-up artists. They will simulate cuts, bruises, artificial blood, and old age. Is there a future movie director living in your house? This is a camp your child won't want to miss! *Please have your moviemaker bring a 4G Flash Drive to camp to save their movie.*

---

## Young Space Explorer

Offered by: ClubSciKidz (jacki@clubscikidz.com)

Rising Grades 3-5

Week of July 18-22 | 9am-4pm | Cost: \$325

Kids of all ages love space, so that's why we created Young Space Explorer. We all remember watching the launch of space rockets from NASA, the first steps by man on the moon, watching astronauts float in zero gravity and of course those bulky but futuristic space suits. We will help your young astronaut explore his/her interest in the cosmos and Milky Way and maybe even try some real space food!

Projects include Making Moon Sand, Eating Space Ice Cream, What is Zero Gravity and how much things weigh in space, and much more as we learn about the planets of our solar system.

---

## Robot Engineer

Offered by: ClubSciKidz (jacki@clubscikidz.com)

Rising Grades 5-8

Week of July 18-22 | 9am-4pm | Cost: \$349

Tons of great building projects with our Robotic Arm and Kingii Dragon Robot. Campers will also learn to solder when they build the Blinky robot!

The OWI, Inc. Robotic Arm Edge is the perfect learning tool for understanding the inner workings of a robot that is identical in nature to the robots being used in industry today. With Robotic Arm Edge, command the gripper to open and close, wrist motion of 120 degrees, an extensive elbow range of 300 degrees, base rotation of 270 degrees, base motion of 180 degrees, vertical reach of 15 inches, horizontal reach of 12.6 inches, and lifting capacity of 100g. WOW! Some of the added features include a search light design on the gripper and a safety gear audible indicator is included on all five gear boxes to prevent any potential gear breakage during operation.

# July 25 - 29

## Chess Camp - Intermediate/Advanced

Offered by: Jessica Martin ([overthechessboard@gmail.com](mailto:overthechessboard@gmail.com))

Rising Grades 4-8

Week of July 25-29 | 9am-12:00pm | Cost: \$315

We will learn advanced chess tactics, strategies, endgame techniques, study Grandmaster games, and learn new vocabulary. We will also focus on winning and losing with dignity and grace - with an emphasis on problem-solving and sportsmanship. Our students will be given folders with chess sheets to take home, and our camp will culminate in an in-house tournament and small awards ceremony!

## Kindergarten Prep Camp

Offered by: Jenny and Tayler Gudmestad ([jgudmestad@woodlawnschool.org](mailto:jgudmestad@woodlawnschool.org))

Rising Grades PreK - Kindergarten

Week of July 25-29 | 9am-12pm | Cost: \$200

Join Woodlawn's own Kindergarten Lead Teacher Mrs. Jenny Gudmestad as we prepare for Kindergarten. Campers will focus on basic Kindergarten skills. will learn what it means to be in Kindergarten. This program will focus on basic Kindergarten skills to ensure each child is set up for success.

# August 1 - 5

## Disney Princess Dance Camp

Offered by: Ludmila Academy ([hedvika@ludmilamusicart.com](mailto:hedvika@ludmilamusicart.com))

Ages 4-6

Week of August 1-5 | 9am-12pm | Cost: \$300

This camp is great for little dancers. Featuring the best songs from popular Disney movies. We will explore dance through creative movement and classical forms of dance including ballet and jazz. We will hold a dance performance at the end of the week.

## Art Around the World

Offered by: Ludmila Academy ([hedvika@ludmilamusicart.com](mailto:hedvika@ludmilamusicart.com))

Ages 8+

Week of August 1-5 | 1pm-4pm | Cost: \$350

Join us for a journey through the outermost limits of our imaginations as we explore art from exotic places all over the world. With our travel passports in hand, each day our explores will visit (via our imaginations and hands on activities) art and history from far away lands like the savannas of Africa, Chinese dragon art inspired from the Orient, beautiful Rangoli Art from the rich culture of India, Paintings inspired from Masters of France, Spain and much more!
